Galvanized Steel Pour In Place Bollard 24 In. x 4-1/2 In. Gray

MODEL BOLPP-24-4.5-HDG

Protective Barriers / Pour In Place Bollards

PRODUCT OVERVIEW

Make your bollards permanent by setting them in concrete. The extra length of the pour In place bollard allows you to maintain the needed height while fixing the bollard in concrete. Bollard is an open-top design so the bollard can be filled with concrete to increase its strength and durability. Assembly required.

KEY FEATURES

- Safety pipe design can be used either inside or out
- Create barriers around workstations and machinery
- Heavy-duty steel construction provides long lasting protection
- Slide through lag anchors secure bollard in poured concrete
