Solid Recycled Plastic Parking Block 24 In. x 6 In. x 3-1/4 In. White

MODEL CS-S-24-WT

Facilities Maintenance / Car Stops

PRODUCT OVERVIEW

Car stops are designed to protect people and property in driving areas. This car stop can be removed quickly for maintenance reasons or change of locations. Mounting holes are pre-drilled for a quick installation process. Hardware kits are available separately.

KEY FEATURES

- High-visibility color enhances driver and pedestrian safety
- Resists marring by oil, road salt, sunlight and chemicals
- Solid design, without channels
- Built from recycled plastic
