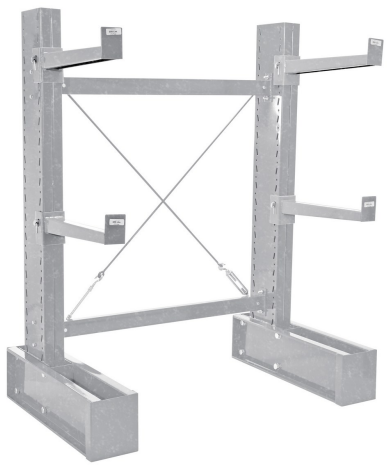
# Galvanized Medium-Duty Single Sided 24 In. Arm Set 10,600 Lb. Capacity Silver

**MODEL MU-C-8-24-G-SET**

Storage Solutions / Galvanized Cantilever Rack Kits



## PRODUCT OVERVIEW

The Galvanized Cantilever rack systems are ideal for distributing and industrial settings. The galvanized steel design minimizes rust while providing a strong construction. The adjustable rack arms can be adapted to a customized position allowing the unit to fit the needs of individual circumstances.

## KEY FEATURES

- Adaptable to space constrictions
- Provides extra floor space
- Organize material in vertical position
- Durable design throughout daily use
