Steel Adjustable Single Drum Gripper 24 In. x 28 In. x 8 In. 1500 Lb. Capacity Yellow

MODEL DGS-A-PSD

Drum Handling Equipment / Drum Grippers

PRODUCT OVERVIEW

The drum gripper makes it easy to pick up steel and plastic drums (with top ring or top ridge) without leaving the seat of the fork truck. Simply slip the forks into the fork tubes and the drum gripper is ready to go. The adjustable width arms systems grips the drum tightly, and then lifted into the air. Drum is automatically released by lowering the forks. All models feature hinged folding design for storage. The unit is constructed of powder coated welded steel for strength and durability throughout daily use. Safety restraint included.

KEY FEATURES

- Minimizes manual lifting of heavy drums
- Bright color for enhanced visibility
- Quick release for efficient use
- Can fit on a variety of drum sizes
