Dock Leveler Insulation Blanket 96 In. Long Blue

MODEL DIB-96

Loading Dock Equipment / Dock Leveler Insulation Blanket

PRODUCT OVERVIEW

The dock leveler insulation blanket helps improve heating efficiency while using less energy. Prevents cold air from entering your warehouse from cracks that surround the dock door and leveler. The blanket includes aluminum extrusion, anchors, and hangers that fit most standard doors. The hangers allows for a secure raised blanket position. The blanket will pay for itself many times over by controlling heat loss.
