Steel Portable Electric Infrared Heater 9.5 KW 480 Volt 3 Phase Silver/Black

MODEL VFSP-9548-3

Facilities Maintenance / Portable Electric Infrared Heaters

PRODUCT OVERVIEW

Provide instant, odor-free heat for indoor and semi-protected outdoor workstations and warehouse areas. Economical electric infrared heat warms only persons and objects, not the air volume. Durable heavy-duty flat panel emitter heating elements are designed for a variety of applications using no glass materials. All models have gold anodized aluminum reflectors, terminal box, protective wire screens, and reinforced front edge and corner construction. Heaters can be adjusted on the hand cart to operate in a horizontal or vertical position for maximizing the infrared heating pattern. Carts consist of a rugged steel design and are equipped with 6" rubber wheels and twin hand grips. Heaters are factory wired for three phase, but can be converted to si...
