Plastic Automatic Liquid Sanitizer Dispenser 10-1/2 Fluid Ounce Capacity White

MODEL PHS-ALSD-01

Facilities Maintenance / Automatic Liquid Sanitizer Dispenser

PRODUCT OVERVIEW

An automatic liquid sanitizer is the perfect asset to maximize cleanliness. The plastic construction lends itself well to portability and simple movement from area to area. The automatic dispense feature allows for multiple individuals to obtain sanitizer without coming in contact with the bottle itself. The large volume capacity is simple to fill and efficiently manages the flow of liquid (not gel or foam) per dispensing. Automatic dispense is battery operated.

KEY FEATURES

- Great for quick dispensing
- Hands free for cleanliness
- Large volume container for infrequent refills
- Easy to move between areas
