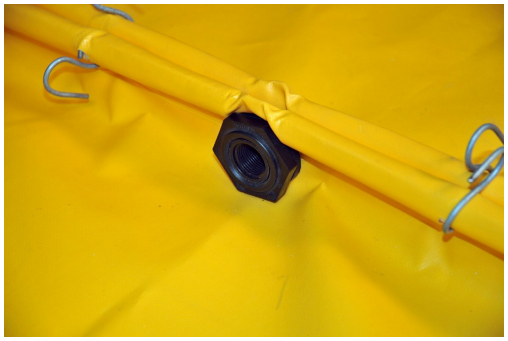
Polyethylene Bulkhead Fitting Flexible Spill Deck Black

MODEL VLPUT-BF

Drum Handling Equipment / Ultra-Spill Pallets & Decks



PRODUCT OVERVIEW

A bulkhead fitting works great for dispensing overrun liquids. With a quick installation and sturdy construction, the bulkhead can be ready for immediate use. The bulkhead allows the user to transfer liquids from one container to another specified area.

KEY FEATURES

- Allows for simple draining of product
- Smooth surface for simple cleaning
- Strong construction for long-term use
- Compact design for minimal storage space
