1 Tier Multifunction Scaffold 74 In. x 29-1/2 In. x 75 In. 1,000 Lb. Capacity Yellow

MODEL SCAF-MF-1

Industrial Ladders / Multifunction Scaffolding

PRODUCT OVERVIEW

Working at elevated heights can be a dangerous job. That's why safety needs to always be a priority! With a multi-function scaffolding that safety and security is all around! For those projects remaining in the same location for an extended period of time, a set of four (4) base plates is included to keep the scaffolding grounded and secured. And for those days when you are on the move, casters are included to make the scaffolding a portable rolling unit! Anytime scaffolding is stacked, the use of an outrigger is required.

KEY FEATURES

- Includes one multi-function scaffold
- Scaffold end ladder frames allow simple entry and exit
- High strength steel frame
- Perfect for residential and industrial work locations
