Plastic Web Barrier Retractable Arc Flash Banner Red / Black

MODEL WBS-R-AF-RD

Protective Barriers / Web Barrier Stakes

PRODUCT OVERVIEW

The barrier system is a great protective asset to any electrician and maintenance workforce. The specific focus is to keep all non-qualified work personnel at a distance and restrict them from entering the work area. The reel is smooth in action as it is drawn out and retracted. The head design with spring loaded retractable tape allows for quick set up and easy storage. When not in use, the unit maintains a small footprint for minimal storage space.

KEY FEATURES

- Brightly colored red for increased prominence
- 15 ft. tape length
- Easily movable between work areas
- Polyester tape material
