Factory Installed Mobile Wheel Kit & Detachable Handle For Truck Scissor Dock Lift Units

MODEL WL-WK

Loading Dock Equipment / Premium Truck Scissor Dock Lifts

PRODUCT OVERVIEW

The Vestil WL-WK is a factory-installed mobile wheel kit with a detachable handle, specifically designed to add portability to truck scissor dock lift units. This optional system features a robust construction, durable casters, and a handle that allows heavy dock lifts to be maneuvered easily across a variety of environments. By streamlining mobility, the kit helps maximize efficiency while improving user safety.

KEY FEATURES

- Factory installed option only
- Not to be used with loaded unit
- Features durable construction for added strength and long life
- To be used on ‘improved’ surfaces only
