Steel Hitch Mounted Truck Jib Crane With Magnet 200 Lb. Capacity Black

MODEL WTJ-HITCH-ML-2

Overhead Lifting / Hitch-Mounted Truck Jib Crane

PRODUCT OVERVIEW

A hitch-mounted truck Jib crane with magnet easily mounts in standard class III or higher 2" receivers. The jib may be adjusted or leveled to best fit the setting and the users needs. Maximum uniform lifting capacity is 200 pounds. Manual hand brake winch with a lifting hook and 15 feet of cable is included. The industrial magnet includes a clevis for a simpler lifting and lowering process.

KEY FEATURES

- Requires no modifications to truck when used with a 2 inch receiver
- Magnet is activated or deactivated by a simple lever rotation
- Offset design allows for full use of tailgate while winch is in operation
- Crane may be installed on either side of the truck bed
